Course Description: The course provides an attractive route along the bike trails that takes participants through Larson Park, along the outskirts of Brookings, near the golf course, and leads back into the park at the starting spot. The route is not only marked by signs, but also by volunteers standing along the route to help keep you on track. Although there are some slight inclines, the course is fast and enjoyable. As a prominent national women's fraternity, Chi Omega strives to promote and provide opportunities for its members to be well balanced, both on campus and within our community. We believe that by extending a helping hand, we help to make the world a better place. In 2002, Chi Omega formed an alliance with the Make-A-Wish Foundation, making it our national philanthropy, with goals to help assist in granting the wishes of these special children.

The Make-A-Wish foundation is based on the mission of "We grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy." Since it's beginning in 1980, with one boy's wish to be a police officer, the Make-A-Wish foundation has grown to be able to grant a child's wish in the United States and its territories every 40 minutes, giving hope, strength and joy to not only the children, but also family and friends. In the year 2009, they were able to grant 13,465 wishes.
